Report of Principal and School Improvement Council

In partnership with all stakeholders, John E. Ewing Middle School will promote a desire for life-long learning by providing quality, safe, nurturing opportunities for students to succeed as responsible, productive citizens. This year, John E. Ewing Middle School has focused on implementing the major components of Response to Intervention (RtI) in order to maximize achievement. We analyzed data from PASS and MAP scores to identify the differentiation of instruction needed. We implemented interventions, modified instruction, and monitored progress. A second area of focus for our school was the implementation of Common Core State Standards. Our faculty attended staff development, made presentations to each other, observed each other, and implemented performance tasks for assessment. To help students become college and career ready, we purchased extra nonfiction books and taught students strategies for reading nonfiction. A third area of focus at Ewing Middle was safety. We practiced fire, tornado, earthquake and intruder drills. We continued our focus on promoting positive behavior with our SOAR cards. All these efforts help students to become productive, responsible citizens. We want our students to know that they must be highly educated for economic success and a high quality of life, and that being highly educated is achievable for all students. In addition, students enjoyed a Veteran's Day program, a Valentine's dance, a Mr. Talon pageant, a student/faculty volleyball match, a student/Gaffney Police basketball game, a Career Fair, and various entertaining assemblies. We had successful seasons in volleyball, football, and basketball. We continue to strive for improvement in all areas.

Mr. Tracy Parris, SIC Chair

Dr. Denise Wooten, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.1
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

John E. Ewing Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
